On October 30, 1979, [redacted] of Paine Webber, Jackson, & Curtis, 25 Broad Street, New York, New York, telephone number [redacted] advised Special Agent [redacted] of the following in regard to the Virginia Electric & Power registered certificates recovered on October 30, 1979 pursuant to a search warrant issued in the Southern District of New York.

He advised that from the photocopies that the Federal Bureau of Investigation had available earlier, he was able to determine the following about these securities. These securities were delivered by a Paine Webber courier to a messenger service known as "The Cur8", located at 55 Water Street, a subsidiary of Depository Trust Corporation on October 19, 1979, at 2:30 p.m. He advised to the best of his knowledge all the envelopes would be bundled together and sent to the Transfer Agent, which in this case was Bradford Securities. He advised that the messenger service located at 55 Water Street would have absolutely no reason for opening the envelopes and going through them. After the particular bundle of securities, which are housed in large orange envelopes are deposited at the messenger service, Bradford Securities Corporation would send a truck to 55 Water Street, pick them up and bring them to the Bradford Transfer area. [redacted] suggested that it is possible that the theft occurred either at "The Cur8" or at the Bradford Processing Center.

Contact with [REDACTED] Security for Paine-Webber at 25 Broad Street, NY, NY, revealed the following in regard to a photostatic copy shown to a NY source for supposed sale. The security involved is Virginia Electric and Power Company, 1st and Refunding Mortgage Bond, series EE, percent is 11, due date 7/1/94, serial# EE21265. The security was registered in the name of Paine-Webber, Jackson and Curtis Incorporated, the face value was \$5,000.00 and the certificate was dated 8/28/79. [REDACTED] advised that due to the form that was attached to the back of the security known as an RC-88, they were able to trace the security as follows. The security as well as several others went from their house to Chase Manhattan Bank via a messenger service known as the Curb. The Curb envelope is a large orange colored hard-soft envelope. It was sent to the Curb on Friday, 10/19/79, which was a Friday night. [REDACTED] advised that the theft of security such as these does predominately occur on payday, Friday², due to the laxity of that day at both the transfer agent as well as the Curb messenger system. [REDACTED] advised that a total of \$30,000.00 of Virginia Electric and Power Company was sent to Chase for transfer on that Friday. He said that according to his information, the two outstanding VEPCO Certificates that are still missing are serial# EE18777 and EE18902, domination is 24,000 and 1,000 respectively. Those 2 added together to the \$5,000.00 certificate that was originally shown as being available for sale would total the \$30,000.00 package that he was able to trace. [REDACTED] advised that if he could be of any additional help, he would be glad to cooperate in any way possible.

Dear [Redacted]:

I first want to express the appreciation of this office and the entire FBI for your cooperation in a recent investigation involving stocks and bonds that we were endeavoring to recover. As you are aware, the investigation did not develop as was originally planned but led to the recovery of stocks in which we were vitally interested. The stocks which were recovered totalling approximately 5-1/2 million dollars were of a different source. Fortunately, with the pre-planning in this endeavor and your cooperation we were able to successfully recover the stocks and bonds. We are presently endeavoring to identify the area from which the bonds were stolen and anticipate that this will be resolved within the next three or four days.

I also want to assure you and the Chemical Bank that the \$50,000, which you so willingly furnished this Bureau to assist in the recovery of the bonds, will be returned to the Bank within a two-week period.

Again, thank you and please express our sincere appreciation to the Officers of the Bank who supported you and us in this endeavor.

Sincerely,

At approximately 10:30 PM SAs [] and [] observed a white male speaking on a public outdoor telephone located on the south eastern corner of Madison Avenue and 69th Street, New York, New York. This man, who appeared to be about five feet six inches, was wearing a three quarter length coat, appearing grey in color, and light blue bell bottom pants. SA [] in company with SA [] walked in close proximity to this man and observed him speaking on the phone. This male then cupped the phone with one hand and stated to SA [] that he would be on the phone for "quite awhile". He then continued his conversation (which could not be heard) and continuously looked in the direction of the Westbury Hotel which is across the street from the public phone. After approximately several minutes this male hung up the phone.

At this time SA [] identified himself as an Agent of the FBI, and requested some identification. This male immediately asked if there was a problem to which [] stated that the FBI was conducting an investigation in the immediate area and it would be "appreciated" if he (the male) would identify himself. This man identified himself as []. He then stated that he wished to leave at which SA [] advised that before he left the FBI had to resolve a matter. He then reached in his shirt pocket and pulled out a small pillbox and stated [] and he would like some water. SA [] immediately instructed SA [] to obtain some water for [] and [] proceeded to a restaurant located on Madison Avenue between 69th and 68th Streets.

Several minutes later SA [] and [] exited the restaurant. [] then asked if he was under arrest to which SA [] responded he was not. [] was then advised that the FBI was resolving an investigation matter and it was important he not leave till resolved.

INSTRUCTIONS

(1) Submit an original only of the FD-515 within 30 days of a recordable accomplishment. Submission of each statistic should not be delayed awaiting the accumulation of several statistics.

(2) The date the FD-515 is submitted must be shown.

(3) The field office file number and appropriate subclassification, if applicable, must be set forth.

(4) Category A - **"PRELIMINARY JUDICIAL PROCESS"** - This indicates the number of subjects against whom judicial action has taken place. The number of subjects must be indicated with a numerical entry and not with the letter "X" or a check mark.

FOR EXAMPLE: If 4 subjects have 10 Bills of Indictment returned against them, enter 4 on line 3.

(5) Category B - **"FINAL JUDICIAL PROCESS"** - This, again, indicates the number of subjects and the number of counts or violations for which the subject is convicted. The number of counts shown on lines 5 and 7 must equal or exceed the number of subjects indicated on lines 4 and 6, never be less. Category 4 and 5 or 6 and 7 cannot be claimed prior to sentencing.

FOR EXAMPLE: If a subject is convicted for multiple counts in a single indictment or is convicted on a number of individual indictments, the entry in either case will be one subject convicted.

(6) Category C - **"SENTENCES"** - Indicate only the number of subjects and where a combination of sentences are imposed, enter only the most severe sentence. The number of subjects cannot exceed the number of subjects indicated in Category B, lines 4 and 6. The amount of the fine (line 5), if any, is always claimed in conjunction with either lines 1, 2, 3, or 4.

(7) Category D - **"ARRESTS/LOCATES/SUMMONS"** - Indicate the number of subjects under designated priorities.

(8) Category E - **"RECOVERY AND LOSS PREVENTED"** - Recoveries - When stolen or illegally possessed items with intrinsic value are recovered as a part of an FBI investigation, the value of the item should be recorded. Restitutions will be recorded in this category when ordered as part of a sentence.

Potential Economic Loss Prevented - Record items such as counterfeit securities, money orders, Cashier Checks, Travelers Checks, and pirated copyright and patented material.

A justification airtel must be submitted with the FD-515 as an enclosure when the recovery or potential economic loss prevented exceeds \$1,000,000.

(9) Category F - **"CIVIL MATTERS"** - To record an entry in this category, it is necessary to conduct actual investigation in the matter. Both the original amount sought and the damages awarded by the court are to be recorded under amount of suit and settlement or award. Therefore, if numbers 1 or 3 are completed, it is necessary that number 2 and 4 also be completed even if by zero. The only exception would be when monies are paid by the subject in Ascertaining Financial Ability Matters wherein it is not necessary to record an entry in F3.

(10) **"REMARKS"** - Identify the name of the subject(s) and when reporting a conviction identify the Title, Section, and Code applicable to each count convicted.

(11) **Errors** - If a previously submitted FD-515 is determined to contain an error after verifying the statistic on the Monthly Statistical Results Report, submit an original only of the FD-515 clearly marking the top of the form in red ink with the word **"AMENDED"**. Other than the title, FBIHQ file number (if known), field office file number; and date, only complete the category being corrected by a numerical entry representing the appropriate decrease or increase. If this entry represents a decrease, insert a minus "-" sign and if an increase, insert a plus "+" sign directly to the left of the numerical entries which will signify the type of correction.

[redacted] gave [redacted] which [redacted] placed in the pockets of his overcoat. [redacted] said that [redacted] would remain in the room with [redacted] and SA [redacted] as assurance that [redacted] would not take the money and not fulfill his end of the bargain. [redacted] then left the room.

During [redacted] absence, [redacted] stated to [redacted] that there was no problem as far as he and [redacted] were concerned, but the problems arose due to the "little hot-head down there" indicating out on the street.

Approximately 10 to 15 minutes after his departure, [redacted] returned [redacted]. This time he was accompanied by SA [redacted] (Agent [redacted] was working in an undercover capacity), who then returned to his lookout post in the lobby. [redacted] then gave [redacted] two one million dollar New York telephone certificates. During the ensuing discussion, [redacted] indicated that the two certificates did not represent [redacted] completing his part of the deal and [redacted] said that time would not permit him to make another meet he had scheduled that night to obtain further securities. [redacted] told [redacted] that he would give him time to make the other meet. At that time, [redacted] took the certificates and money and left. [redacted] again remained behind to assure that [redacted] would return.

This time [redacted] was gone for about one and a half hours. [redacted] and [redacted] discussed prior business dealings and carried on general conversation with SA [redacted] made further reference to the fact that the problems on the deal arose from the people they (he and [redacted]) were dealing with. [redacted] assured [redacted] that he and [redacted] were doing the best they could.

Shortly before [redacted] return [redacted] SA [redacted] phoned from the lobby to say [redacted] had approached him and said that he would need an additional 15 minutes.

[redacted] returned [redacted] accompanied by SA [redacted]. He handed [redacted] an envelope and stated, [redacted]. He indicated that everything had not gone exactly according to plan, but that the deal would still be all right. He said that his man on the street wanted to deal "one piece at a time". [redacted] said that was okay and gave [redacted] a briefcase with money in it to count. [redacted]

[redacted] entered the room and Supervisor [redacted] told [redacted] and [redacted] they were under arrest.

After [redacted] and [redacted] were searched by Bureau agents, SA [redacted] advised each man of his constitutional rights, reading from a card he had. SA [redacted] asked [redacted] why he dealt with SA [redacted] and [redacted] was suspicious of them (as he had previously indicated). [redacted] replied simply that when so much money is involved, "sometimes you just got to take chances". [redacted] also stated to SA [redacted] that [redacted] was just "small popcorn" in this deal, indicating that there were higher people involved. [redacted] however, refused to elaborate on who these people were and stated that he could not say anything else at this time.

MICHAEL BURNETT, : 79 Cr. 471 (TPG)

Defendant. :

STATE OF NEW YORK)
SOUTHERN DISTRICT OF NEW YORK) ss.:

RAYMOND LEVITES, being duly sworn, deposes and
says:

1. I am an Assistant United States Attorney in the office of Robert B. Fiske, Jr., United States Attorney for the Southern District of New York, and, as such, am familiar with the facts of this case. I make this affidavit from personal knowledge and on information and belief, and submit it in support of the Government's application for an order permitting the Federal Bureau of Investigation to transport certain securities subpoenaed from Kidder, Peabody & Co., Inc., and hereinafter described, to Morgan Guaranty Trust Company as transfer agent, to be cancelled and then returned to the custody of the United States Attorney's Office for the Southern District of New York for its further use as evidence in a continuing investigation.

2. On June 29, 1979 an Information was filed in the United States District Court for the Southern District of New York charging the captioned defendant, Michael Burnett, with the unlawful transportation of stolen securities in interstate and foreign commerce in violation of Title 18, United States Code, Section 2314.

3. On June 29, 1979 the defendant MICHAEL BURNETT pled guilty to the aforementioned charge before the Honorable Thomas P. Griesa, United States District Judge.

4. The defendant is due to be sentenced on September 24, 1979.

5. On or about January 31, 1978, Kidder, Peabody & Co., Inc., pursuant to a subpoena, delivered \$100,000.00 face value City of Valdez, Alaska, Series B., 6.05% bonds, due August 15, 2007, bearing certificate numbers 23530; 23535/38; 23540/41; 26836/46; 26926/27, with all coupons subsequent to August 1, 1977 attached, to the New York City Police Department on behalf of the District Attorney's Office for New York County. Subsequently these bonds were acquired by the United States Attorney's Office for the Southern District of New York, when the Federal Government assumed jurisdiction in this investigation, as evidence in the above-captioned proceeding, and are presently in the custody of the United States Attorney.

6. By letter dated April 25, 1979, the attorneys representing Kidder, Peabody & Co., Inc. and its bonding company, Federal Insurance Company made formal demand on the United States Attorney's Office for the return of said bonds, or in the alternative, for permission to have the bonds cancelled so that replacement bonds may be issued while the originals are retained as evidence. They have submitted that the rights of Kidder, Peabody & Co., Inc. have already been and will be further unduly prejudiced unless the aforesaid bonds can be submitted to the transfer agent for cancellation.

7. Although the above-captioned case is drawing to a close, it appears necessary for the United States Attorney's Office for the Southern District of New York to retain the bonds in question, as evidence, in a continuing investigation which it has undertaken with reference to the actual theft of the bonds and to Burnett's co-conspirators. Accordingly, your deponent requests that an order be issued by this Court permitting the United States Attorney for the Southern District of New York to cause the subject bonds to be made available, by agents of the F.B.I., to the Morgan Guaranty Trust Company, as transfer agent. This will be done for the sole purpose of having the bonds cancelled of record, so that Kidder, Peabody & Co., Inc. can secure replacement certificates therefor, with the original bonds thereafter being returned to the custody of the United States Attorney to be retained as evidence.

8. Kidder, Peabody & Co., Inc., from whom the bonds were obtained in the first instance, has represented by an affidavit and exhibits annexed thereto, and made a part hereof, that it is the true and lawful owner of the bonds in possession of the United States Attorney.

WHEREFORE, your deponent respectfully prays that an order be made permitting the United States Attorney to deliver \$100,000.00 face value City of Valdez, Alaska, Marine Terminal Revenue bonds, 6.05%, due August 15, 2007, bearing certificate numbers 23530; 23535/38; 23540/41;

26836/46; 26926/27, to the Morgan Guaranty Trust Company,
as transfer agent, for the purpose of having the bonds
cancelled of record, and after said bonds shall have been
cancelled, to return them to the custody of the United
States Attorney's Office for the Southern District of New
York.

Re: City of Valdez, Alaska, bonds
Michael Burnett

Dear [REDACTED]:

In accordance with our telephone conversation of July 10, 1979, we are enclosing herewith an affidavit executed by one of the officers of Kidder, Peabody & Co., Inc., setting forth the circumstances attending the company's purchase of the City of Valdez bonds from Barclays Bank of New York, and the subsequent delivery of the bonds to the office of the District Attorney of New York County pursuant to subpoena. The affidavit is submitted to you for the purpose of your office making application to the Court for an order permitting either the United States Attorney for the Southern District of New York, or the Federal Bureau of Investigation to deliver the subject bonds to the transfer agent for cancellation so as to facilitate the issuance of new bonds to Kidder, Peabody & Co., Inc.

Inasmuch as Kidder, Peabody & Co., Inc. has been deprived of the use and possession of the bonds since January 31, 1978, we respectfully request that the aforesaid application be made without further delay. You have indicated to us that your best estimate is that such application will be made before the end of the summer, and we trust that this time frame will be adhered to.

JAMES B. SWEENEY, being duly sworn deposes and says:

1. I am one of the Vice-Presidents of Kidder, Peabody & Co., Inc., and as such I am familiar with the statements contained herein from my own personal knowledge and from the books and records of Kidder, Peabody & Co., Inc. in my possession. I make this affidavit in connection with the application being made by the United States Attorney's Office for an order permitting the United States Attorney for the Southern District of New York and/or the Federal Bureau of Investigation to transport certain securities owned by Kidder, Peabody & Co., Inc., and hereinafter described, to Morgan Guaranty Trust Company as transfer agent, to be cancelled and then returned to the custody of the United States Attorney's Office for its further use.

2. On or about November 18, 1977, Barclays Bank of New York placed an order with Kidder, Peabody & Co., Inc. for the

sale of \$225,000.00 face value City of Valdez, Alaska, Marine Terminal Revenue bonds, 6.05%, due August 15, 2007. The following are the certificate numbers for the securities received by Kidder, Peabody & Co., Inc. from Barclays Bank of New York:

800; 13698; 13700/701; 126206/208; 16360; 17466/469;
22357/361; 23522/530; 23535/538; 23540/41; 26836/846;
26926/927.

3. The aforescribed bonds were delivered to Kidder, Peabody & Co., Inc. "free for examination" on the condition that payment be made on or before the settlement date of November 28, 1977. Copies of the trade confirmations, Barclays Bank of New York delivery bills, and the settlement check in payment of the bonds are annexed hereto as Exhibits "1", "2" and "3" respectively. By virtue of its purchase of the bonds heretofore described, for a valuable consideration and without notice of any adverse claim, Kidder, Peabody & Co., Inc. became a bona fide purchaser and the true and lawful owner of such bonds.

4. Thereafter a subpoena duces tecum issued on January 13, 1978 by the Office of the District Attorney for the County of New York, was served on Kidder, Peabody & Co., Inc. requiring the company to deliver certain specified City of Valdez,

Alaska, Marine Terminal Revenue bonds of the 6.05% issuance, due August 15, 2007, which had been sold by Kidder, Peabody & Co., Inc. for the account of Barclays Bank of New York on November 18, 1978. A copy of the subpoena is annexed hereto as Exhibit "4".

5. On or about January 31, 1978, Kidder, Peabody & Co., Inc. delivered \$100,000.00 face value City of Valdez, Alaska, Series B, 6.05% bonds, due August 15, 2007, bearing certificate numbers 23530; 23535/38; 23540/41; 26836/46; 26926/27, with all coupons subsequent to August 1, 1977 attached, to Detective Nick O'Connor of the Bond and Forgery Squad of the New York City Police Department, who was acting on behalf of the District Attorney's Office for New York County. A copy of the delivery ticket, and a copy of a receipt signed by Detective O'Connor are annexed hereto as Exhibits "5" and "6".

6. Your deponent has been advised by counsel that the bonds which were delivered to the District Attorney's Office for New York County, have subsequently been subpoenaed by the United States Attorney's Office for the Southern District of New York, and that the bonds are presently in the custody of the United States Attorney or the Federal Bureau of Investigation. By letter dated April 25, 1979, the attorneys representing Kidder,

Peabody & Co., Inc. and its bonding company, Federal Insurance Company, made formal demand on the United States Attorney's Office for the prompt return of the bonds, or in the alternative, for permission to have the bonds cancelled so that replacement bonds could be secured. A copy of the letter is annexed hereto as Exhibit "7".

7. By letter agreement dated August 3, 1978, between Bache Halsey Stuart Shields Incorporated and Kidder, Peabody & Co., Inc., Bache Halsey Stuart Shields Incorporated lifted the "stops" which it had earlier placed against the bonds to prevent their further negotiation and sale, so as to enable Kidder, Peabody & Co., Inc. to sell or otherwise to dispose of them. A copy of the aforesaid letter is annexed hereto as Exhibit "8".

8. Your deponent has been further advised by counsel that it may become necessary for the United States Attorney's Office for the Southern District of New York to retain the bonds which that office obtained from the District Attorney's Office, New York County, for an additional investigation which it has undertaken. Kidder, Peabody & Co., Inc. has demonstrated by virtue of this affidavit and the exhibits annexed hereto that it is the true and lawful owner of the bonds in possession of the United States Attorney. Your deponent has further shown that

Kidder, Peabody & Co., Inc. has been deprived of the use and possession of the bonds and all rights incidental thereto since January 31, 1978. Accordingly, your deponent, on behalf of Kidder, Peabody & Co., Inc., requests that an order be made by this Court permitting the United States Attorney for the Southern District of New York to deliver the subject bonds to Morgan Guaranty Trust Company, as transfer agent, for the sole purpose of having the bonds cancelled of record, so that Kidder, Peabody & Co., Inc. can secure replacement certificates therefor, with the original bonds thereafter being returned to the custody of the United States Attorney.

9. It is submitted that the rights of Kidder, Peabody & Co., Inc. have already been and will be further unduly prejudiced unless the aforesaid bonds can be submitted to the transfer agent for cancellation.

WHEREFORE, your deponent respectfully requests that an order be made permitting the United States Attorney to deliver \$100,000.00 face value City of Valdez, Alaska, Marine Terminal Revenue bonds, 6.05%, due August 15, 2007, bearing certificate numbers 23530; 23535/38; 23540/41; 26836/46; 26926/27, to Morgan Guaranty Trust Company, as transfer agents, for the purpose of

having the bonds cancelled of record, together with such other
and further relief as this Court may deem just and proper.

Assistant United States Attorney

Re: City of Valdez, Alaska
Bonds

Dear

As we advised you in our recent telephone conversations, this firm represents Kidder, Peabody & Co., Inc. and its bonding company, Federal Insurance Company. On or about November 18, 1977, Kidder, Peabody & Co. purchased from Barclay's Bank of New York, among other securities, \$225,000.00 face value City of Valdez, Alaska, bonds, Series B, 6.05%, due August 15, 2007, with all coupons subsequent to August 1, 1977 attached.

Thereafter, on or about January 31, 1978, pursuant to a subpoena issued by the Office of the District Attorney for New York County, Kidder Peabody & Co. delivered the following described bonds to the District Attorney which was conducting an investigation relative to such bonds:

City of Valdez, Alaska, Series B, 6.05% Bonds, due August 15, 2007, bearing certificate numbers 23530; 23535; 23636; 23537; 23538; 23540; 23541; 26836; 26837; 26838; 26839; 26840; 26841; 26842; 26843; 26844; 26845; 26846; 26926; 26927, together with all coupons subsequent to August 1, 1977 attached.

We are presently holding a receipt for the subpoenaed bonds.

We understand that the District Attorney's Office of New York County has completed its investigation relative to the

Page 2

aforesaid securities, and that the United States Attorney's Office has now subpoenaed and will shortly obtain custody and possession of the bonds. We hereby notify you that our client, Kidder, Peabody & Co., is a bona fide purchaser of the bonds, and is the only party entitled to possession of the subject bonds.

b6
b7c

On behalf of our client we herewith make a formal request for the prompt return of the abovedescribed bonds. In the alternative we request that your office immediately proceed to have the original bonds cancelled with the transfer agent so that Kidder, Peabody & Co. can obtain the replacement bonds for the original securities.

You have indicated to us that the United States Attorney's Office contemplates filing an accusatory instrument relative to the subject bonds, but that it is necessary to apprehend the alleged perpetrator. You have further indicated that in the event you are unable to promptly locate said individual, that your office will file a complaint against him, which will then enable your office to have the bonds cancelled with the transfer agent, with the originals thereafter returned to you. Barring any unforeseen evidentiary problems, you have also stated that the cancellation of the above described bonds can be effected on or before the end of June 1979.

We would appreciate your confirming in writing that the aforesaid statements accurately reflect our conversations. In addition, we also ask that you keep us closely advised of all pertinent developments in this matter.

Very truly yours,

Dear [Redacted]

You have stated that on November 18, 1977 Barclays Bank of New York placed orders with your firm for the sale of \$225,000 City of Valdez, Alaska Bonds 6.05% due August 15, 2007 ("Valdez bonds") and \$200,000 Tennessee Valley Authority Bonds Series A 7% due January 1, 1997 ("TVA bonds"). You have also stated that the bonds were delivered to your firm and we understand that payment was made on November 28, 1977.

You have stated that the certificate numbers for the \$225,000 Valdez bonds were:

13700/701	23535/538

These bonds were in our possession and their loss by theft became known to us, in the case of the Valdez bonds, in the latter part of November 1977 and in the case of the TVA bonds, in the latter part of December 1977. We reported the loss and caused "stops" to be placed against the bonds. We gather that as a result of those "stops" you have been unable to negotiate the securities.

We will, subject to the following terms, lift the "stops" against the bonds and the attached coupons.

In consideration of our removing said "stops" you will not assert any claim against us, including but not limited to any claim for interest or as a result of the "stops" being placed against the bonds by us. In addition, we also will require your confirmation that our lifting said "stops" in no way reflects a waiver of any rights we may have against you in the event that facts are developed indicating that in connection with your handling of the bonds, you did not enjoy the status of a holder in due course or otherwise observe reasonable commercial standards. It is understood, however, that in entering into this agreement you reserve all defenses to any claim and that nothing said, or left unsaid, is or is to be deemed an admission of any liability on your part.

Please confirm the foregoing in the space provided below, provided such understanding meets with your approval.

Very truly yours,

He had tried to call SA [redacted] on October 5, 1979, as [redacted] had stopped by [redacted] on that date. (A telephone message indicating [redacted] called the Philadelphia FBI Office at 2:00 p.m. on October 5, 1979, was made for SA [redacted].

During that visit, [redacted] said [redacted] had threatened him, [redacted]. At this point, [redacted] got on a telephone extension and a three-way conversation took place. She replied there was nothing specific, only she felt the possibility of danger could not be ruled out. She added that [redacted] had talked in the yard and she watched them. This was the extent of her comments, although she remained on the line while her husband talked.

(NY 29-15128)

Over the past year, information has been developed in a specific area of the case entitled "[REDACTED] ET AL," NY 29-15128. This information relates specifically to the involvement of [REDACTED] in the theft of approximately \$500,000 in securities, some of which were stolen from the Stock Clearing Corp, Inc., New York, NY, in August, 1977, which were subsequently submitted for negotiation at the Jersey City, NJ, Brokerage Firm of M. S. Wien & Co., and some of which were stolen from Bradford Trust Co. during the summer of 1977 and subsequently negotiated through an off-shore bank.

b6
b7C

Several government witnesses have been developed and a taped three-way conversation between [REDACTED] and two other subjects concerning the above mentioned theft is in possession of the NYO.

Indictments have been slow in forthcoming due to the tremendous case load of the USA, SDNY, assigned to this matter. The AUSA is also the only one who is intimately familiar with the many aspects of this case. This matter now encompasses over seven volumes of material, at least a dozen other subjects and recoveries.

The Selective Operations Unit (SOU), Criminal Investigative Division (CID), has a continuing interest in maintaining a valid record of undercover Special Agents who are actually working in an undercover assignment. As you are aware, most operatives are assigned to an operation by the SAC from manpower within the division. SOU is in complete agreement that the SAC have the flexibility to assign manpower within his field office and takes little exception to this. The only concern is that undercover assignments must be voluntary to insure that an Agent performs in a satisfactory manner.

In this regard approximately 800 Special Agents have sent background data forms to SOU and requested to be considered for undercover assignments. FBIHQ does not insist that each and every undercover Agent assigned to an undercover operation by the SAC come from that pool, but consideration should be given to those who have expressed such interest in order that they may gain needed experience.

To assist SOU as to how many men are assigned to undercover operations and the identities of those assigned, the following information is requested for captioned case:

1. Name of field supervisor.
2. Name of contact Agent.
3. Name of case accountant.
4. True name and alias of primary undercover Agent(s).
5. True name and alias of backup Agent(s).

The above information should be submitted to FBIHQ, (Attention: Selective Operations Unit, Criminal Investigative Division, Room 5037), in a sealed envelope within ten working days from receipt of this communication.

Since 8/1/79, an ongoing investigation has been conducted by Section M-2 regarding captioned matter. This investigation

Countless man-hours have been expended by FBI, NY in securing the information obtained during these meetings and telephone conversations. It should be noted critical objectives in this investigation are being reached and transcriptions are urgently needed for successful conclusion.

[REDACTED]

AUSA [REDACTED] SDNY, has on several occasions made urgent requests to case agent of captioned matter for transcripts of the numerous recorded conversations. AUSA has further advised that the case, currently being actively presented to Grand Jury, is now at a "critical stage" where transcripts of the tapes are of paramount importance for plea bargaining purposes.

b6
b7C

On numerous occasions over the past 30 days requests have been made by case agent and supervisor, M-2, that the steno pool handle these transcriptions. However, supervisors in the steno pool have advised that they are under strict orders from SACs 1 and 2 that only material related to the TUM-CON operation should be allowed to be submitted for transcription.

On 9/6/79, supervisor, M-2, was advised that even after completion of the TUM-CON work priority will not be given to transcription work related to captioned matter because of a new office special being handled by Supv.

Due to the urgent need to obtain transcripts re captioned investigation it is requested that the steno pool be allowed to transcribe tapes submitted by Section M-2 for this case. There are approximately 20 hours of taped conversations.

Dear [REDACTED]:

On October 26, 1979, I was advised by the New York Office of the Federal Bureau of Investigation that the above captioned bearer bonds were recovered, along with other stolen items, in the trunk of an automobile, which automobile was connected with the official investigation.

The above captioned bonds, along with two additional bonds, namely the Virginia Electric & Power Co., 1st Mortgage Bonds, Series 1979, 10-1/4%, due 4/1/2009, Bond Numbers 6118 and 6119, each for \$25,000, for a total of \$50,000, both registered in the name of First Boston Corp., made up a delivery from Paine, Webber, Jackson & Curtis, Inc., 25 Broad Street, New York, N. Y., delivered to the National Securities Clearing Corp. on the afternoon of October 19, 1979. These items were deposited at the National Securities Clearing Corp. by the Paine, Webber, Jackson & Curtis, Inc. messenger and a receipt obtained. However, all of the above-described bonds did not reach their destination, namely the Chase Manhattan Bank transfer representative which was Bradford Securities. It appears that the securities disappeared after delivery to the National Securities Clearing Corp. and part of them, namely the \$30,000 of bonds registered in the name of Paine, Webber, Jackson & Curtis, Inc. were recovered by the FBI.

Special Agent [REDACTED] advised me that the recovered \$30,000 worth of bonds were to be processed by the FBI Laboratory. The other two missing bonds for \$25,000 each have been entered into the FBI NCIC and into the SIC computer system. It is my

understanding that based on the successful FBI investigation, arrests have taken place and that you will prosecute the violators. Since the \$30,000 of bearer bonds were recovered by the FBI, and, recognizing that you may need these items in connection with your prosecution, I am requesting that, if possible, the recovered \$30,000 worth of bearer bonds be cancelled out by the transfer agent in order that Paine Webber may receive the replacements in order to meet our trading obligation. The cancelled bonds can then be given to your office to serve as evidence in the prosecution.

May I express my sincere appreciation for your cooperation and understanding in consummating this request.

[] was arrested by SAs of BQMRA on a 15 case in October, and the writer was present for interview. During interview, [] was visibly shaken, and the writer advised him that this arrest was only one of many to come, but he could help himself by cooperating. The 15 case is a good case on []

b6

Recent informant information reveals that [] does not want to go to jail and that he is upset over his recent arrest and the anticipation of further arrests []

b6
b7C
b7E

From full evaluation of all current information, some of which is set forth above, it is the opinion of all three case agents that the time is right to bring all possible pressure on []

Based upon conversations with SA's [] and [] AUSA [] SDNY, is handling both their cases and because of his additional case load commitment will be unable to get to these matters till well after the first of the year. It is felt this would be too late to obtain desired affects of bringing pressure on [] at this critical time with arrest warrants on the 87 and 29 cases.

b6
b7C

It is therefore requested that SAC I contact AUSA [] Chief, Criminal Division, SDNY, in effort to work out an arrangement regarding warrants on [] per the 87 and 29 cases, so as to take advantage of [] current situation, using it to our best interest.

[REDACTED]

The Selective Operations Unit (SOU), Criminal Investigative Division (CID), has a continuing interest in maintaining a valid record of undercover Special Agents who are actually working in an undercover assignment. As you are aware, most operatives are assigned to an operation by the SAC from manpower within the division. SOU is in complete agreement that the SAC have the flexibility to assign manpower within his field office and takes little exception to this. The only concern is that undercover assignments must be voluntary to insure that an Agent performs in a satisfactory manner.

In this regard approximately 800 Special Agents have sent background data forms to SOU and requested to be considered for undercover assignments. FBIHQ does not insist that each and every undercover Agent assigned to an undercover operation by the SAC come from that pool, but consideration should be given to those who have expressed such interest in order that they may gain needed experience.

To assist SOU as to how many men are assigned to undercover operations and the identities of those assigned, the following information is requested for captioned case:

1. Name of field supervisor.
2. Name of contact Agent.
3. Name of case accountant.
4. True name and alias of primary undercover Agent(s).
5. True name and alias of backup Agent(s).

The above information should be submitted to FBIHQ, (Attention: Selective Operations Unit, Criminal Investigative Division, Room 5037), in a sealed envelope within ten working days from receipt of this communication.

NR 87-81904

During June, 1979, captioned subject [redacted] pledged the six Massachusetts Housing Bonds as collateral for loans at Bankers Trust, Spring Valley, NY, and [redacted] also attempted to sell \$200,000 worth of the same securities at Loeb Rhoades Brokerage House, Paramus, NJ. The above securities were stolen and an armed robbery of two messengers employed by Securities Settlement Corporation, NYC, on 5/15/79. [redacted] also made a number of false statements on loan application forms he furnished Bankers Trust. SA [redacted] is case Agent on the above case.

MM 87-40383, entitled [redacted]

[redacted] ITSP (D); OO: MM, involves the following:

On 8/27/79, [redacted] was arrested by FBI, Miami at Barnett Bank, Hollywood, Florida, where he attempted to pledge additional Massachusetts Bonds stolen in above NYC robbery. [redacted] offered his cooperation for one day, during which time he advised that he received the stolen bonds from [redacted] a member of the COLOMBO OC Family, Brooklyn, NY. [redacted] allegedly works for SALVATORE JOSEPH MIRABILE, a Capo in the BONANNO OC Family. [redacted] is also associated with [redacted] [redacted] subject in the \$5,000,000.00 July, 1978, armed robbery of two Bradford Corporation messengers in NYC. SAs [redacted] and [redacted] are the case Agents on the above case.

Subsequent Miami investigation disclosed that [redacted] had pledged large amounts of stolen securities throughout Florida.

MM 87-82601, entitled [redacted]

[redacted] ITSP (D);

OO: MM; involves the following:

On 1/7/80, [redacted]

[redacted] and [redacted] [redacted] was arrested in Miami during a buy-bust operation in which [redacted] had in his possession an excess of \$3,000,000.00 worth of securities stolen in part from NYC. [redacted] had made telephone calls to [redacted] from Texas prior to his arrest in Florida. SA [redacted] is the case Agent on the above case.

NR 87-81904

NY 29-15128, entitled [redacted]

[redacted] ET AL; ITSP (D); CO: NY," involves the following:

During October, 1979 [redacted] was arrested by FBI, NYC, with two other subjects in possession in excess of \$2,000,000.00 worth of stolen bonds. [redacted] is an associate and ex-prisonmate of [redacted] Staten Island, who is prime subject in the \$5,000,000.00 Bradford armed robbery of July, 1978; the \$2,000,000.00 armed robbery of a Brinks armored car at Chase Manhattan Bank, NYC, during September, 1979, and a \$3,000,000.00 armed robbery of a Wells Fargo armored car in Staten Island, NY, during the Summer of 1979. [redacted] appears to be main source of majority of securities stolen in the NYC area and then distributed across the country and throughout the world. [redacted] is most likely the source of securities provided by [redacted] to [redacted].

NR 87-81904, previously cited, also involves the following:

[redacted] was employed by Empire National Bank, New City, NY, from [redacted] to [redacted] as a Loan Officer. After [redacted] left Empire National Bank, approximately 18 loans he granted were defaulted upon and investigation disclosed the loans were questionable as lacked sufficient collateral or violated bank rules. In addition, a number of loans were granted to OC figures. Shortly after [redacted] left Empire National Bank, counterfeit certified checks stamped with a missing Rockland County National Bank stamp began to appear in NY, Florida and Georgia. Rockland County National Bank was the name of Empire National Bank before it merged with Empire National Bank.

[redacted] then became a Loan Officer with a bank in Miami and when he left the bank, a number of defaulted loans were uncovered to an individual with whom [redacted] became partners in a business enterprise. This investigation is the subject of Miami; 29-3909, entitled [redacted] ET AL; BF & E: CO: MI."

On 2/8/80, AUSA [redacted] advised that no prosecutive opinion would be forthcoming regarding above matter until conference is held between all interested AUSAs and SAs, to determine prosecutive strategy.
